Skyhawks SNAG Golf

221902

(Ages 5 - 9)

Instructor: Skyhawks Sports Staff

One of our most popular programs, Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. As we know, golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system which uses modified equipment to its curriculum developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy & effective transition onto the golf course. No need to bring your own clubs, all equipment is provided. For safety reasons we keep the instructor to camper ratio for this program very low, resulting in limited availability. As a result these programs fill up quickly. Participants should wear loose fitting cloths, sneakers, and bring a water bottle.

Mini Riders

Our patient, well-trained and gentle miniature horses are ready to introduce your child to a lifelong love. He/she will learn how to handle, and groom and tack up the miniature horse. They will then spend time in the saddle riding the hand-led pony. Parents are welcome and encouraged to participate in their child's one-on-one learning experience. Our focus is teaching how to work safely around the animals, while having a fun positive experience with the pony. After feeding and putting the ponies away, your child will have a chance to come into our brand new insulated and heated barn and play with our trained and friendly small animals (rabbits, guinea pigs, gerbils, chinchilla, birds and ferrets) for an all-around wonderful experience.

Early Release Riding

Your child will enjoy a one on one riding lesson as well as a unique and exciting hands-on animal science experience. They will feed, groom, and care for our friendly barnyard and exotic animals (including a kangaroo and Mini Cows), and our small animals (rabbits, guinea pigs, gerbils and ferrets). They will also have access to our bird room where they can hold and feed our birds, all this in a safe environment.

No-School Day Riding Program

On all school holidays (school closing days) or vacations (December, February, March and April), Sweet Meadow Farm offers a day program for your children. They will feed, play and learn how to take care of friendly farm and exotic animals. Each child will have a one-on-one horseback riding lesson. This is a drop off class.

Summer Barn Buddies Camp

Join us feeding, playing, planting a garden and learning how to take care of animals such as miniature cows and horses, goats, baby chicks, guinea pigs, bunnies, hamsters, ferret, and more. Meet and greet all of our spring baby animals. Children will plant their own small garden, water and tend to it. On Friday, they will bring home a special decorated pot of a plant they started from seed. They will work in the green house and learn basic plant care, and how to nurture them. They will watch baby chicks hatch, feed the chickens, collect their eggs, feed the miniature horses hay at lunch, and so much more.

Weekly Riding Summer Camp

A daily one-on-one riding lesson for beginner to advance riders! Each student will be properly paired with both an instructor and a horse based on their individual riding ability. From there, they will lead the horse to our indoor arena and learn to ride and master the cues for walk, trot, and canter. They will learn how to groom, clean and tack up (put the saddle and bridle on) their horse. Then join the small animal room for hands-on learning experience with the guinea pigs, bunnies, hamsters, ferrets, birds, miniature pig and cows. The kids will get to meet all of our spring baby animals (puppies, kittens, baby bunnies, and baby guinea pigs)!

TERRIERS

25
Years

We are a Sports Based Youth Development organization building life and leadership skills in safe, fun and supportive environments. We create unique and rewarding athletic and social experiences for children by providing fun and enjoyable environments for kids to relax, enjoy unstructured play and participate in team sports. We eliminate the pressure and scrutiny kids are often subjected to in many of today's youth sports programs. While all of our programs offer organized activities and skill development, we also value equally the benefits of free play.

Terriers Summer Camp

320600

(Grades 2 - 9)

Instructor: Terriers Staff

A Wellesley summertime favorite since 1991, Terriers is a unique and rewarding experience. Kids enjoy a daily blend of unstructured fun and team sports. Open gym and playground periods let kids enjoy free play and summer fun playing wall ball, shooting baskets, playing catch, trading sports cards, or just hanging out with friends. Teams play baseball, basketball, dodgeball, soccer, and flag football games – Terriers style – with action and energy! Awards are presented daily for Effort, Improvement and Sportsmanship and teams enjoy competing for coveted Terriers Championship Buckets.

COMMUNITY BAND

245899

(Ages 14+)

Instructor: Henry Platt

Wellesley has a band, a great big band, a concert band! And you are going to be in it. A town-wide collaboration of Council on Aging, the Recreation Department and other town entities, along with a musical group of local folks sure hope you want to take part. Beginning in the winter, brass, reed and percussion players, former and present, young and old will be led by Middle School Band director Henry Platt who is taking on the post of Director of the Wellesley Community Band (WCB). There are no auditions; so anyone who has played in the past, no matter how rusty, will feel welcome. Current players may also relish playing in a multi-generational band near home. The band's tentative schedule is to meet Mondays between 7 and 9 pm. Last year, the Needham community band boasted more than 60 members ranging in age from 8th grade to 88. We would love to see the same age range! Like the bands in Needham, Wayland, and Brookline, the repertoire will consist of show tunes, marches, pop and light classical pieces that make wind band music such a joy to play and hear. The Recreation Department is taking names of interested townspeople and will be sending out registration materials soon. For players who just show up with horn in hand, registration forms will be available at start-up time. If you'd like more information, call 781-235-2370.
